PROFESSIONAL PEST CONTROL

Home Service
Tree & Shrub
Termites

Guarantee

NEW AND/OR POST CONSTRUCTION TERMITE TREATMENT

The structure identified on this document was treated for termite prevention during construction. In the event of termite infestation within five years, Professional Pest Control will retreat the area of infestation without cost to the owner.

This agreement is transferable to subsequent owners.

Any structural modifications, additions, soil level changes or repairs to structure without prior knowledge and/or treatment, if necessary, may terminate this agreement.
