

Our Promise

IB Roof Systems, ("IBRS"), proudly warrants that, subject to the other terms, conditions and limitations below, IBRS will replace the affected portion of the IBRS membrane and IBRS factory fabricated flashings, metal edging and terminations ("IBRS Products") that fails due to a manufacturing defect. This Warranty is void unless the IBRS Products have been or are intended to be installed as part of an IB Roof System. IBRS' total liability under this Warranty shall not exceed the original price invoiced by IBRS for the IBRS Products, together with the estimated roof installation labor cost determined by the RS Means Building Construction Cost Data™ reference book edition in publication at the time of the Warranty claim.

Warranty Period

The term of this Warranty varies based upon the membrane thickness (50 mil-15 yr, 60 mil-20 yr, 80 mil-25 yr) that, conditioned upon the submittal by mail of the completed Warranty Registration Form attached below, commences upon the 'Date of Completion.' Full payment of all labor, materials, and warranty fees supplied in connection with the IB Roof System is a condition of this Warranty. To transfer the remaining balance of this Warranty to a new owner, refer to Section d under the Owner's Responsibilities Section of this Warranty for the conditions of a transfer.

Owner's Responsibilities: Owner's failure to comply with the terms and conditions herein may void this Warranty.

- a. If a leak is discovered.** Immediately call the original roofing installer to report the leak location and severity. If suspected to be a material defect, then call IBRS' Technical Services Department at 800-426-1626 within five (5) calendar days (120 hours) of discovery and send written notice within fourteen (14) days of discovery to Attn: Warranty Department, IB Roof Systems, 8181 Jetstar Drive Ste 150, Irving, TX 75063. **Notice to the roofing installer is not notice to IBRS.** Reporting a leak to IBRS is owner's authorization for IBRS to investigate, including inspection of the roof as IBRS deems necessary. Any non-IBRS supplied material or equipment that impedes investigation or repair of the IB Roof System must be removed at Owner's expense. IBRS may acknowledge and investigate Owner's notice of a potential warranty claim by issuing a warranty claim kit that requires further information from Owner. Owner must promptly provide IBRS any information reasonably requested in the warranty claim kit. If no leak covered by this Warranty is found, Owner agrees to pay an investigation fee of \$500 within sixty (60) days of invoice.
- b. Emergency Repairs.** After calling IBRS' Warranty Department, owner may, if necessary to minimize damage to the building or its contents, perform emergency repairs at the owner's sole expense. These repairs will not void this warranty so long as the emergency repairs were reasonable under the circumstances and do not result in permanent damage to or concealment of the IB Roof System.
- c. Maintenance.** Owner is responsible for reasonable general maintenance and care as outlined within our Owner's Roof Maintenance Guide such as: (i) periodic/seasonal roof inspection; (ii) removal of accumulated dirt, debris or other contaminants from roof surface and drainage outlets; and (iii) maintenance of caulks or sealants necessary to maintain the roof in a watertight condition at flashing or membrane terminations, penetrations, and metal work in and around the IB Roof System. Owner should maintain records of inspections and maintenance. See www.ibroof.com for more information.
- d. Transfer.** Owner can transfer this Warranty to a subsequent owner for the remaining term only if (a). Owner provides thirty (30) days written notice of the change in ownership by filling out the Warranty Transfer Form located on the IBRS website, (www.ibroof.com), in the Warranty Transfer Section. (b). Owner makes any repairs to the IB Roof System or other roofing and building components that are identified by IBRS as necessary to preserve the integrity of the IB Roof System; and (c). Owner pays a transfer fee of \$250. This Warranty is not otherwise transferable by contract or operation of law.
